

Bouse Community newsletter

105th Edition

May 2019

Newsletter funding is provided jointly by the Bouse Booster Club and the Chamber of Commerce

From The Chamber of Commerce

Hopefully you've noticed a few changes happening at the Museum and grounds. There's a lot of folks to thank for the repair and addition to the equipment carport, new roof in the storage area behind the restroom bldg., replacement of the adjacent laundry room, and continuing work on the Miner's Shack. We put out the call we were answered by volunteers to man the crews and others to donate materials and supplies. Thank you all! You know who you are.

And thanks to Barry for using his fork lift to unload the blocks for the laundry room and placing the small Caterpillar into position at the Rest Stop. Thanks to Al for the laundry masonry work in progress.

Next time you're at the Post Office, please take a tour around the Museum grounds to see the statues of the old Miner and his Burro in front of the shack as well as a peek at the improvements inside and out of the shack. Things are happening! The miner and his burro were donated by Dolly Francis, the shack restoration is the work of little elves that show up when no one is looking, who shall remain nameless. Our thanks to those quiet ones too.

Work continues to ready the site for the addition on the Museum; the permit is in process.

Another event, a Pancake Breakfast and Tour of Camp Bouse will be added to Founders Day weekend, Sunday Nov 17, 2019. Registration and other details will soon be on our bulletin boards and website, www.bouseazchamber.com. Tour numbers will be limited, so sign up early.

Next Season Dates:

- Sept 9** 1st Chamber Meeting
- Oct 4** 1st Friday Swap Meet
- Nov 2** Bouse Chamber Street Chase
- Nov 16** Founders Day
- Nov 17** Camp Bouse Tour & Pancake Breakfast
- Dec 14** Christmas Lighted Parade & Block Party
- Feb 8** Camp Bouse Dedication
- Feb 9** Camp Bouse Site Guided Tour
- Feb 29** Bouse Chamber Off Road Leap

Our last meeting for the season is Monday, May 13 at 6pm at the Booster Hall. Please join us to find out the latest on what's next! Bring your ideas!

Harley Kruidhof, President

Bouse Booster Club

The Booster Club thanks you again for all your support during this difficult time while our Fire Suppression System was down. Thank you all for your support! We have received numerous donations from our club members and others to help us through this stressful time. We are sorry we were unable to do breakfast this season, and we thank you for those who attended the events we were able to do. We'll be back next season with Monday Breakfast scheduled to begin November 4, Bingo on November 7.

Please check with your favorite activity and club for ending dates this season and beginning dates next season.

Rose Acre Farms Presents Historic Rifle

By Pat Walch

It was a big day at the Bouse Museum when the folks from Rose Acre Farms presented the WW11 Winchester M1 Carbine rifle to the Museum to be added to their military displays in memory of Camp Bouse. Onlookers applauded as Elias Hendrix, Rose Acre Operations Manager, handed the historic rifle over to Chamber President, Harley Kruidhof, John Bennett, and Museum Curator Charlie Morgan. Trent Donnelly, Rose Acre Farms, Lone Cactus Complex Manager and Skip Becker, La Paz Economic Development Corp, also representing Rose Acre Farms, joined Chamber Past Presidents John Bennett and David Bull, other Chamber members and officers, La Paz Supervisor, Duce Minor, and Bouse residents to record this major event at the Museum on Apr 16.

"This newly donated weapon will be a treasured and featured part of our displays in our new addition to the Museum that should be completed before year end," said Kruidhof. "When Charlie, our Bouse Museum Curator, learned of the awaited arrival of the M1, he announced he has his father's 1911 Colt 45 back at home. The Colt was the other historic WW11 weapon carried by the soldiers who trained at Camp Bouse and Charlie will bring it to be displayed in the new building beside the M1 when he returns next season. What terrific additions to our displays depicting life at Camp Bouse and in the trenches of WW11. The M1 Carbine rifle was heralded by General Douglas MacArthur as the weapon that won the war. Over 6 million of them were made for WW11.

This historic rifle was donated by Marcus Rust, CEO of Rose Acre Farms.

Post Office Seeks Relocation Property

The deadline for USPS representatives to receive property (tentatively within a 2 mile ring from the current location) to be considered for potential relocation of the Bouse Post Office—or other written input—is 30 days from their public meeting on April 17, 2019. Minimums needed for an existing building: 1730 GSF, with about 20 parking stalls.

After 30 days, results of their considerations will be posted in the lobby of the Post Office. Send information to: U.S. Postal Service, Attn: Gregory Shelton-Bouse, 200 E. Kentucky Ave, Denver, CO, 80209-9950.

Roadrunner Market #2

Folks at the Roadrunner are adding new merchandise weekly, so check what's new. If there's something you'd like to have added, please don't hesitate to ask. Look for fresh baked breads and pastries, freshly made sandwiches, sliced meats and cheeses, and other treats in the deli case. Snacks and cold drinks of all kinds, ready-to-eat hot dogs, pizza, mac & cheese, lasagna... what else can you need? Well, there's also ice cream and frozen treats for those hot summer days. Stop by today. Open 7 days a week, 7am/7pm.

Shopping is Fun at the Family Dollar

Know what I found there the other day? My favorite dessert in a personal size . . . Edwards Key Lime Pie for only \$1 a slice! You can probably find your favorite too. They had Turtle Pie, Chocolate Cream, and Cookies & Cream! Plus a freezer full of other goodies to cool you off through the summer. Try one. It might become your new best friend.

And while you're there, take a look at their new summer merchandise as well. Mother's Day is coming soon . . . May 12. Check out the cards and gift items.

Family Dollar is open the same hours all year: Mon/Sat 8 to 9; Sun 9 to 9.

Traveling East? Plan a Little Extra Time

According to ADOT's recent meeting to update Bouse folks about the construction on Hwy 72, it will be going on throughout the rest of the year. That's right, scheduled to be completed by Christmas. So, set your alarm clock to allow enough time for delays. Depending upon where you're headed, you could run into several,

beginning with the Joshua Road intersection job on the west—clear through to Hope where the paving crew began its westward journey from Hwy 60 on March 11. So leave early and drive carefully to avoid unnecessary headaches.

Bouse Transfer Station
Now Open (summer hours)
Fri & Sat - 6:00am to 1:00pm

BOUSE CHAMBER OF COMMERCE
MEETING

May 13, 6pm

Bouse Booster Hall

Come on down – everyone's welcome!

Yolanda-Helen Bruno-Andreano*by Ollie Huhtala*

Yolanda-Helen Bruno was born on January 3, 1917, in Waterbury, Connecticut. In 1935, Yolanda turned eighteen years old. She graduated as an Honor Student at Wilby High School in 1938.

History has always been Yolanda's favorite subject. She loved to learn how things were made and travel to new places. She has traveled to nine European countries and thirteen cities. Yolanda said that when she was little, she always wanted to travel.

Yolanda's subjects in school were, Geography, Penmanship, Science, English, Bus Practice, Civics, Cooking, Physics Training, and Sewing. Her school room number was 217. In high school, Yolanda took up a different language, which was French.

In 1937, while Yolanda and some friends were driving in a car, another car crashed into them. Yolanda was the most seriously injured in the wreck. Her head crashed against the bar she was holding onto, this caused breakage to her teeth. Their car overturned and both cars were badly damaged.

What Yolanda did for a living was to help make silverware, buttons, zippers, thread, needles and more.

For most of her life, Yolanda made her own clothes. She learned how to make them when she was young. She buys her own clothes now, though.

On March 15, 1916, Yolanda's husband, John Andreano, was born in Waterbury, Connecticut. He worked in the CCC Camp in Graystone, NY where he learned to cook for the Camp.

On October 28th, 1940, Yolanda married John Andreano, at twenty-three years old, in Waterbury, Connecticut. They were married in Our Lady of Mount Carmel Church. They were actually the third couple to get married in that church. Their honeymoon was in Washington DC.

Yolanda and her husband, John, didn't own a car until after they got married. She always took the trolley or bus to work. Everything was close. She could walk places or walk to the bus station.

Some of the places that Yolanda has visited include: Venice, Spain, Germany, Rome, London, and Russia. While she was visiting London, she was able to see the London Bridge being packed away to be shipped to America.

On October 28th, 2013, Yolanda and John celebrated their 70th anniversary.

On January 3, 2017, Yolanda celebrated her 100th birthday at Aston gardens. Her grandson works for Fox News, so Yolanda was able to be on local television to celebrate her birthday.

For one hundred-two years old, Yolanda still likes to keep active. She does yoga and exercises. She gets off of the couch easily, her hands move wonderfully, and she is an all-around joyful person to be around.

She likes to think of the little things that most people wouldn't think about. She likes to pray for people who make us feel better, like doctors and chemists. She prays for people to feel better too.

My experience with Yolanda was absolutely amazing. She shared a lot of her life. She is interesting and is definitely the oldest person I've been around. She is positive, she has lots of stories to share and she is just amazing.

Her life motto is to live life better every year.

Editor's Note: 13 year old Ollie was entranced by 102 years 'young,' Yolanda, mother of Gloria Freemon who recently brought her mother to Bouse to live with her. And it's no wonder. After spending just a few minutes with her when she first arrived in March, I was mesmerized. She's sharp, has an unbelievable memory of what life has brought for her and what she's made of it.

If you see Yolanda and Gloria running around town, take a minute to stop and say hello and welcome to our newest...and oldest resident!

By Gloria Freemon, Library Volunteer

This is our last newsletter until the fall! To all our full time residents, we have lots of good books for summer reading and DVDs for you to check out! If you need to cool off check out "Alaskan Bush People." Great DVD series! If you check it out and like it we'll get the rest of the seasons. Might make you feel a little chilly watching the series!

Other great DVDs:*Green Book* (which got rave reviews)*Vice* (About Dick Cheney)*Crazy Rich Asians* (this will make you laugh!)

Come in and check out the rest of our DVD's.

New books: Lee Child: *Past Tense*, Iris Johansen: *Vendetta*, Lisa Scottoline: *Fearful*, Faye Kellerman: *Walking Shadows*.

With the Final Chapter being closed for the summer, we have put a selection of paperbacks and DVD's for sale in the library. Paperbacks sell for \$.25 and DVDs for \$1.00.

And remember, our Summer Read program starts June 11. If you haven't made a donation yet you still have time, or better yet join us at the LaPaz Community Building to give a hand!

**Between the Pages**

Our season is over for Final Chapter customer sales, but now the work begins! We're already receiving donations of books and other items to sort and alphabetize to get ready for stocking the shelves for next season's opening. And for our western fans out there, we've received a good supply of western paperbacks and VHS tapes! Lots of John Wayne movies for your VCR. And some old classics. We know there's still some of you out there with VCRs.

We continue to see new customers among our regulars at our little book store, and we thank you all for your support. If you have books to donate throughout the summer, please call the Library at 928-851-1023 to check their open days, then drop them by. (Their summer hours were not set by print time.)

We're looking forward to seeing you all for another busy season and wish a safe and enjoyable summer for all! Remember . . . the Library is our Happy Place!

**Bouse Genealogical Society***La Paz County Building**Fridays 9 to 2, Open to All*

Most of our winter visitors will be heading north soon traveling with their Ancestors that they found during their genealogy sessions. We had a great season and will continue with our summer session on the 1st and 3rd Fridays starting in May. We hope that some of our Bouse residents will join us this summer from 9 to 2pm in the LaPaz Community Building. We had our final board meeting with our officers and have some great ideas for next season.

Any questions you might have please contact

Computers 101 ... Q & A

by David Bull

Once, girls were girls and men were men; you knew who you were then. And you knew who the bad guys and the good guys were; the viruses the former, and the virus-fighting programs the latter. No more, though. Nowadays, the very programs you were counting on to fight viruses might be nothing more than viruses themselves. Time to learn a new word. You've heard of malware, spyware and virusware? Now welcome to the world of "scareware," the fastest-growing segment of the rogue software population out there.

Disguising itself as a solution, scareware actually creates a problem, prompting you to voluntarily install it by scaring you into believing that you're "infected." It's happened to anyone who's surfed the Internet - especially Windows users, who are most vulnerable - at one time or another. You're checking out a site when all of the sudden, a message flashes on the screen. "Security scan in progress! Your system could be infected with bad viruses!" And as the scan progresses, the list of infections on your PC gets longer.

For example ... To solve the problem, says a notice at the end of the scan, you need XYZ Virus Killer, which you can install by clicking on a button. Naturally, you do so - but are then told that the program will only actually remove those viruses if you pay them \$49.95, right now. That's how scareware works; shocking and scaring you with identifiable threats, scareware is basically a shakedown.

But it gets even worse; you may have installed not just an annoyance, but a rogue application that will hijack your computer for use as a spam forwarder (a popular function of viruses today), for example. Remember, a virus is just another application, as far as your computer is concerned, and you probably have anti-virus programs installed to keep out rogue programs, preventing them from installing themselves without your permission. How much easier it is for the hackers if you do the installation work voluntarily.

Because it appears legitimate - and because you need to consciously fight it in order to prevent it from taking over your machine - you need to form a strategy to fight scareware. It's not enough to rely on anti-virus applications you may have installed on your machine, because, as mentioned, with scareware you're basically giving permission for the application to install itself. What's needed is a two-fold approach; one, gaining a knowledge of what to avoid, and two, developing a way to identify and avoid installing these bad guys.

The best advise today ... **DO NOT DOWNLOAD** anything you do not trust fully AND ... **NEVER** assume you should click on everything that pops up while you are browsing

**Bouse Volunteer Fire District**

Message phone: 928-851-2648

Monthly Meetings:

2nd Tuesday 12 noon
La Paz Community Building

As of 4/22/19 we ran a total of 68 calls for the year.

Our NEW/OLD office is now open from 9am - 3pm Tues., Wed., Thurs. and Fridays. Please feel free to stop by to seek information, ask questions or just to visit. Remember we like helping people and the community is our biggest concern.

Thanks to "The John Crew" we now have a Day room and Office in the original Office building!! We cannot thank John Bennett, John Newman, (and their most patient wives Betty & Rhonda), Jimmy Hall, Dave Johnson, Randy Dolman, John Nault, Bouse Fire Auxiliary and anyone else I forgot to mention, for all their time consuming, super, great work and donations of time and money expended for getting this accomplished in time for the heat to return and put us back in with the A/C. Did I mention how awesome our community is??

We are having committee workshops on the 3rd Saturday of the month and the public is invited. The priority at this time is the Budget Committee with a proposed budget deadline for May 8, 2019 for review/discussion/approval. You are welcome to attend with the realization that business cannot be conducted unless there is a posted meeting.

We are in the process of hiring a new Fire Chief and hope to have one on board by May 15. Applications closed on April 20th; interviews are being finished up this week.

This is the time of year reminders needs to go out to everyone to Hydrate, Hydrate, Hydrate!! We all tend to forget—until we are already dehydrated—to drink water, Gatorade or supplement waters. Please hydrate before starting chores outside or even swimming. It's a common mistake people make about being in the water and not realizing that they still need to hydrate. Be safe, use sun screen, drink fluids and stay cool.

Please be alert for the creepy crawlers, we have already seen plenty of snakes and other lovely desert dwellers. There have been several snake bites in the area already this year. Watch where you reach, watch where you step, don't leave your doors or windows open without screens, watch your pets and if you have a garden or flower bed it makes a perfect cool spot for them to rest in.

THANK EVERYONE FOR YOUR CONTINUED SUPPORT!!

Check the bulletin board for date and time for our Monthly Birthday Party and other activities through the summer. As we go into the summer months, please remember there is always cool air, cold beverages, and friendly folks at your VFW Post. We thank all for another good winter season and look forward to more time for fun and visiting throughout the summer months with our good friends and neighbors. Safe travels and a great summer to those heading back home.

In Memoriam - Emalene Hazel Trevor

May 8, 1927 - March 27, 2019

Emalene passed away on March 27, 2019 at home in Bouse, AZ. She was 81.

Emalene was born on Terminal Island, CA. She attended Banning H.S. in Wilmington, CA.

She is survived by her five children: Ronda Bohn, Gerri Bohn, Michael Kelly, Colleen Lewis, and David Sanders; along with her husband of 41 years, Chuck Trevor and his five children: Robin Harank, Becky Coen, Kelly Engbarth, Jay Trevor, and Robert Trevor, with 20 grandchildren and 31 great grandchildren from both families.

Emalene retired from California State University in June 2000 at Dominguez Hills, CA. She and Chuck traveled the states enjoying their family and friends and making wonderful memories. In 2007 they settled in Brenda, AZ. They loved the area and in June of 2016 bought a home in Bouse. Emalene will be missed and loved by all.

Bouse Elementary School District

Bouse Elementary School offers comprehensive special education services to eligible student's ages three through 21 years and to children from birth through age 21 years who have a suspected disability. Children from birth to age three with other disabilities will be referred to appropriate agencies for services. All referrals are considered confidential, and services are provided at no cost. The parent, legal guardian or surrogate parent retains the right to refuse services and are provided other procedural safeguards under federal and state law. Public school services include screening in areas of suspected disabilities such as vision, hearing, motor skills, speech, and language development, physical impairments, vision, or hearing problems, mental retardation, emotional disturbances, autism/pervasive developmental disorders, health impairments, developmental disabilities or traumatic brain injuries. A free appropriate public education with a full continuum of services is available for eligible children with disabilities. For more information concerning eligibility criteria and referral procedures, contact the principal or counselor of your local school or call Bouse Elementary School at (928)851-2213.

Bouse Elementary School District is registering student for preschool and kindergarten for the 2019-2020 school year. Registration days will be May 14th and 15th from 8:00 AM until 4:00 PM. Please bring all shot records and a birth certificate for each child.

Tax Payers!
YOU HAVE A CHOICE. .. THAT CHOICE CAN MAKE A DIFFERENCE
You can send all your state taxes to the state of Arizona or make a contribution to Salome School and receive a tax credit for up to \$400.00 on your state income tax return, per A.R.S 4301089.01.

Single taxpayer or head of household can donate up to \$200.00 and married taxpayers who file a joint return can contribute up to \$400.00. If that married couple files separate returns, each one can claim one-half of the \$400.00

Please support our school with any amount that you would otherwise be paying to the State of Arizona. Simply complete the form found on the link provided at the bottom, designate which activity you would like the donation to go towards and return it with your check/ money order or cash for any amount up to \$400.00. We will provide you with a receipt for tax purposes.

None of the communities' Clubs , Groups and Organizations can do it without you !!!!

BOUSE COMMUNITY CHURCH

Community Assembly of God @ Stone & Worley
Pastor Sharon Hillhouse 928-503-2847

Sunday: Sunday School 9:45 AM
Worship & Service 11:00 AM
Wednesday: Bible Study 7:00 PM

We want to thank everyone who came out and supported our youth group this season. Due to my busy schedule this year, I wasn't able to have as many dinners as normal, so to offset it the kids sent out letters to local organizations asking for donations. I wasn't sure how it would go, but the community really stepped up to help these kids pay for camp. We would like to thank the following people and clubs who took the time to send donations: Deedee Runner, Jane Allbert, Pat Walch, Janice Rush-Morris, Rose Acre Farms, VFW, VFW Ladies Auxiliary, American Legion.

We would also like to thank John Bennett and the Chamber for allowing us to set up our bake sales during the Swap Meet at no charge. We also received a generous donation of a flat screen TV from Carol Dickey. We will either sell it or raffle it off next winter season.

Many others donated by buying goods at the bake sales and putting money in our donation jar through the winter, so a special thanks goes out to all of you as well.

Teen camp is May 29/June 1 and Kids Camp is June 24/28. Camp is held at Granite Hills Campground in Prescott.

We hope everyone has a safe summer. Next year we are planning a big meal, so be ready to eat! Heather
